RESOLUTION NO. 2003-06

RESOLUTION OF THE NEVADA/CALIFORNIA INDIAN HOUSING ASSOCIATION ESTABLISHING A POSITION TO SUPPORT THAT THE CURRENT ASSISTED STOCK SIDE OF THE FORMULA UNDER THE NAHASDA INDIAN HOUSING BLOCK GRANT FORMULA DOES NOT DECREASE

WHEREAS, Nevada/California Indian Housing Assistance supports Tribes, Housing Authorities, and Tribally designated Housing entities to increase their knowledge of "Native American Housing Assistance and Self Determination Act of 1996" (PL.104-330), and

WHEREAS, there are currently 110 federally recognized Tribes in California and 27 federally recognized Tribes in Nevada; and

WHEREAS, the Nevada/California Indian Housing Association is concerned that the funding formula provide sufficient funds to assist all Tribes, including small Tribes, in providing adequate housing that is decent, safe, and sanitary, for their members; and

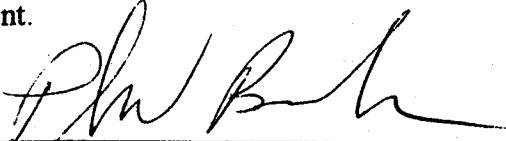

WHEREAS, the Native American Housing Assistance and Self Determination Act of 1996 mandates in 24 CFR 1000.306, that HUD revise the funding formula by establishing a negotiated rule making committee to propose revisions to the current formula; and

WHEREAS, Nevada/California Indian Housing Association supports a position that all Tribes who operate and maintain 1937 Housing Act stock need at least the current level of funding that the NAHASDA Indian Housing Block Grant formula provides under the Current Assisted Stock side of the formula to adequately operate and maintain those units; and

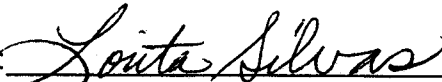

NOW THEREFORE BE IT RESOLVED, the Nevada/California Indian Housing Association adopts a position that the Current Assisted Stock side of the Indian Housing Block Grant formula should not decrease in any way the funds that a Tribe currently receives under that portion of the formula.
